OUR MISSION

Our Mission is to provide a Christ centered, developmentally appropriate program that nurtures children to learn, create, explore, grow & experience God's love.

Because parents know their own children better than anyone else, we feel that parental involvement and input are vitally important in helping us to provide a positive, successful early learning experience for each child.

OUR PHILOSOPHY

Our program provides a safe environment where we recognize that children at play is their work and their tool for learning. We use the Reggio approach to teaching; our classroom is our third teacher, along with parent and instructor. Our environment is prepared to allow our children to be curious and confident. We use the guidelines established by the Ohio Department of Education for kindergarten readiness and teach those skills with God's love at the core. We seek to introduce the very concepts of our faith: God is the creator of all, Jesus is our friend and savior, and God loves all of us unconditionally.

OUR CURRICULUM

Reggio Influence-Creative Curriculum

Language, Math and Science learning centers in preparation for kindergarten.

Creative development; housekeeping, art, music.

Health and physical development; large and small motor activities, personal hygiene experiences.

Self-selected activities. Play will introduce the children to the world around them and build self-confidence.

Music and the arts are integrated throughout the daily curriculum.

The Pastor and church staff foster spiritual development and an awareness that we are All God's Children.

Spiritual development fostering awareness that we are all God's children.

Outdoor play includes Kid's Quarters playground within walking distance.

Step up to Quality is a voluntary rating system that recognizes programs that meet quality benchmarks above and beyond state licensing standards. These benchmarks include: staff education, specialized training, low child to staff ratios, and group size.

We have a 5 Star Rating which is the highest star level!
